RE: Public Records Act Request

Dear los angeles police department,

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I ask to (inspect/obtain a copy of) the following, which I understand to be held by your agency:

(Describe the record as precisely as possible, including the designation of any forms or reports with titles, the date or dates if relevant, the author and addressee if the item is a letter or memo, etc. If the record is referred to in another document or published report and it will help to attach a copy of that reference, do so.)

1. list of all official lapd twitter accts including those used by officers
2. for each official lapd twitter acct a list of those blocked and a list of those muted by that acct.

I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the record[s] in question.

If you determine that any or all of the information qualifies for an exemption from disclosure, I ask you to note whether, as is normally the case under the Act, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information.

If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested.

In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed.

Thank you for your time and attention to this matter.

Sincerely,
